

The seventh Christmas blessing that my Lord gave to me

Seventh Grade Bible Class

For our 7th grade (Junior 1) Bible class this month, we taught the students about the first Christmas. We had 3 lessons to help the students understand the first Christmas and why it is important.

The first lesson looked at Mary and Joseph's reaction to the angel's news about Mary having God's son. In the second lesson, the students learned about the first Christmas, with the stable, manger, shepherds, and angels. Finally the third lesson looked at the three wise men and their journey to Bethlehem. Of course we also discussed how Jesus came to save people from their sins.

In these lessons students read a story, learned some new vocabulary, and listened to some Christmas songs. Songs they listened to include Away in a Manger, What Child Is This, The First Noel, and We Three Kings. The students really enjoy listening to the music and learning about the first Christmas. While the students might not understand all of the vocabulary in the songs, they still can get the basic Christmas story through music.

For some of these students, this was the first time they learned the details about what happened at Christmas and why we celebrate it. Many of them have heard of Santa or stockings or Christmas trees, but Bible class provides an opportunity to teach them what really happened at Christmas.

Prayer Requests:

1. Please pray that God would help the students understand the true meaning of Christmas and his love for them.
