

The Second Christmas blessing that my Lord gave to Me

Water and Word

Baptism is a wonderful gift that God has given us. This past December we had our Fall Missionary Retreat in Sun Moon Lake. The focus of this retreat was our baptism and the faith and confidence that we have because of God's work in this way. The retreat was a relaxing time to get away for a weekend, build-up our team, and refocus on God's word.

Baptism was also part of our worship service this morning. This morning at Salvation Lutheran Church, God brought Erin Shu into his family through water and the word. Erin is a Senior in High School at Chia-Yi Girls school, and has been attending Youth Group and Friday Night Bible Study over the last few years.

Prayer requests

1. Praise God for a great retreat in early December.
2. Praise God for his work in Erin's life, and for her baptism this morning.
3. Pray that Erin will grow in faith and that God will use the members of Salvation Lutheran church to encourage and support her in Christian love.
