May 2	Confirmation prep	Apostle's Creed
May 1	Confirmation	

All students are expected to do worship reports when they are at church on the weekend. Sheets for this are found in a yellow folder on the bulletin table in the back of the church.

All students will take home worksheets to do for review at home. You have in this folder the worksheets with the answers. The worksheets include the memory work and "Family Time." The memory work is to be done at home with the parents. We will review it as a group in class. The review questions are to be asked by the parents to the students. The "Family Time", however, is to be asked of the parents by the youth. The youth will bring home a student copy which is to be filled out and signed by the parent(s). The parent copy is for you to know where the students should be.
